

## **Senior Interior Designers & Interior Designers / Workplace & Hospitality, Beijing**

Büro Ole Scheeren is an international firm that practices architecture, urbanism, interior design, and research.

Our work ranges from city-defining structures and innovative urban prototypes to carefully crafted cultural buildings, with projects across Asia, Europe and North America.

We have recently completed the Guardian Art Center in Beijing, DUO in Singapore, and MahaNakhon in Bangkok; our current developments include, amongst others, 1515 Alberni and Barclay Village in Vancouver, Riverpark Tower - an innovative adaptive re-use in Frankfurt, Empire City - a high-rise complex in Ho Chi Minh City, and the ZTE Headquarters in Shenzhen.

We are looking for experienced Senior Interior Designers and Interior Designers with strong experiences in Workplace & Hospitality to join our growing Interiors team in our Beijing Office, with an emphasis of working on and delivering design and drawing packages for high-profile interiors that will be part of and highly integrated with architectures designed also by our office.

### **Qualifications:**

- Passionate about interior design, and have the ability to conceive, translate and deduce vivid architectural design concepts into fascinating interior spaces.
- Familiar with and understand the indoor material process nodes and FF&E, and deepen them into comprehensive and detailed results for construction.
- At least 4-8 years of work experience after graduation is preferred and deeply involved in large and medium-sized office, large-scale hotel projects and other types of interior design projects, and successfully delivered drawings that exceed the level of conceptual design.
- Worked in well-known international architecture firms and interior design companies, with a keen architectural and interior design vision, professional and aesthetic knowledge and abilities, and can accurately and comprehensively convey design and space experience.
- Adapt to the high-pressure working environment, with outstanding time management and job delivery capabilities. Responsible for the work and with passion, understand East and Western cultures and traditions (Overseas graduate students are preferred).
- Proficient in Rhino, and proficiency in AutoCAD and Adobe CS is preferred. Fluent in English, those who can communicate proficiently in Mandarin and English are preferred.

We offer long-term prospects within the supportive and stimulating environment of our international design network, with the opportunity to further your career, as well as competitive salary and benefits. We embrace diversity in all applicants' backgrounds.
